

**Dan Crocker, Treasurer of the Maine Woodland Owners
Board of Directors**

Dan Crocker is a Maine native who graduated in 1982 from Mattanawcook Academy in Lincoln. At the University of Maine, he earned a BS in Business Administration and MBA. He is a member of the Beta Gamma Sigma honor society.

Employed at Eastern Maine Community College since 1993, Crocker is dean of Enrollment Management and Institutional Research, overseeing a staff of 20 in the departments responsible for admissions, financial aid, registration, advising, student data, and institutional research. He is a member of the President's Cabinet, serves as team leader for the College Senate, and is a member of the Labor/Management Team. He's also served as technical advisor for several Maine Community College System initiatives, and enjoys spending time at his family woodland in Exeter with his wife, son and daughter, "enjoying hiking and cross-country skiing, kayaking, hunting and fishing."
